

TIN — HOANG

“I am all about seeking the right balance of user experience and business goals.”

PROFESSIONAL EXPERIENCE

UX/UI Designer and Front-end Developer

Rove Concepts

June 2020 – Present

Collaborated with different departments and Google to improve the company's e-commerce site speed by 10%, average time on page by 10%, bounce rate by 2%, and self-help by 20% in the first six months.

Full-stack Developer

AdsVizs

Apr 2020 – Sep 2020

Worked closely with the Agile team to bring a React Native app and a ReactJS web app for food promoting and ordering from scratch to production in 6 weeks by utilizing AWS Lambda, Google Firebase, MongoDB, and GraphQL.

Accounting Assistant

ABC Floorings & Carpentry

August 2015 – Present

Responsible for tracking the company's income and expenses. Prepared project estimates, invoices, payrolls, financial statements, and other documentation.
